SUMMER SCHOOL IS COMING!

Be on the lookout for registration information for our upcoming Summer School opportunities for students who are currently in Kindergarten—8th grade.

Summer School will be held at the elementary building in Troupsburg and will run from July 17th—August 10th, Monday through Thursday mornings. Each week will feature a new, exciting theme for each age group. Breakfast and lunch will be provided.

We are excited to announce our first ever Kinder Camp experience for children who will be Jasper-Troupsburg Kindergarteners in 2023-2024. Kinder Camp will run

the mornings of August 7th—August 10th, and will give our newest Wildcats time to get familiar with their classroom, routines, and procedures so that they have a fantastic first day on September 6th. More information will be sent to families with a student who is registered for Kindergarten.

Wow! What a month we have had at the elementary school.

May started with the New York State Math test. Every student in third through sixth grade gave their best effort on these challenging assessments.

Our Lighthouse Review went very well. Two representatives from Franklin Covey came to our school to see the amazing things that Jasper-Troupsburg Elementary had to offer. They immediately felt the energy and positive culture that makes our school an extraordinary place to work, and most importantly, to learn. Specifically, the reviewers were incredibly impressed with the beauty of our school, from the artwork on the interior walls, to the 7-Habits banners hanging outside. We were told it could take up to six weeks to hear if our school achieved Lighthouse status Well, I am proud to say it only took them 12 days to realize our school was the real deal. I received a phone call on May 22nd that said "Let your beacon shine! You are a Lighthouse School." I am so proud of our students, teachers, community members, and Board of Education members who took part in the review. Thank you all for the support of J-T Elementary's journey to become recognized as one of the best schools, not only in New York State, but in the world!

The month ended with our Leadership Day and Spring Concerts. We had a total of eight Jasper-Troupsburg alumni who volunteered their time to share the ins and outs of their careers with our students in grades 3 through 6. In our Kindergarten through 2nd grades we had guest readers come into the classrooms and share their favorite picture books. We had two retired teachers, two Board of Education members, and two current teachers who couldn't wait to share their love of books. Our day continued with service learning opportunities for our students. Some made posters and cards, while others decorated our sidewalks and painted signs. Our spring concerts rocked as kindergarten through 3rd grade performed songs about Earth Day and 4th through 6th showcased their instrumental and vocal talents. Great job Miss Bower, and all of the students at Jasper-Troupsburg Elementary on showcasing their hard work in the classroom and in the arts.

June is shaping up to be another busy and exiting time at the elementary school. Our students are looking forward to field trips, field day, and graduations. The year has flown by, but each day we are amazed by the growth our students have made since the beginning of the year. Our school truly is an amazing place.

ATHLETIC DEPARTMENT NEWS

Fall signups have wrapped up, teams and schedules are being made. Please double check with your student-athlete to make sure they have signed up for the sport they are interested in playing. If they missed the signup period, please email me at cjordan@itcsd.org and inform me of which sport they are interested in playing. We are looking forward to a successful Fall season.

Important Dates for Fall Sports:

Mandatory Parent Meeting- August 14th at 6:00pm- Troupsburg Elementary Gym

First Day of Varsity Practice- August 21st

First Day of Modified Practice- August 28th

The 2022-2023 yearbooks will be distributed on Friday, June 2nd. There are still a few copies available if you would still like to purchase one. Price is \$50.00 each plus sales tax. Please contact Amy Aldrich at the high school if you would like one.

HIGH SCHOOL NURSE'S OFFICE

Students entering 7th grade are required to have one Meningitis vaccine. Students entering 12th grade are required to have two Meningitis vaccines unless their first was received on or after their 16th birthday. Notices will be sent home with students that need to have the vaccine. Proof of vaccination needs to be received prior to the start of school in September 2023.

Students between the ages of 14-17 who plan to work this Summer will need a working permit. If you already have a job lined up, or are hoping to get one, please stop in the Health Office to get an application so it can be completed prior to Summer break.

Students planning to play Fall sports will need a physical on file that has been completed in 8/2022 or after. Any student needing a physical will receive a notice. Students may have their physical completed by their family doctor or the school physician will be available to complete physicals at the Greenwood building on August 11th. If you choose to have the physical done by the school physician, you must contact Barb Leach, School Nurse to schedule an appointment time.

KINDERGARTEN 2023

If you have a child who will be five (5) years old by December 1, 2023, please give Mrs. Cindy Flint a call at the J-T Elementary School at 525-6301 to be added to the list for registration.

All Kindergarten age families will be contacted with a time and further information as the date nears.

NOTE: Children in our present Pre-K program must also register for Kindergarten for the 2023-2024 school year.

PRE-KINDERGARTEN 2023

If you have a child who will be four (4) years old by December 1, 2023 and are interested in having him or her attend our Pre-Kindergarten, please call Mrs. Cindy Flint at the J-T Elementary School at 525-6301. We need to compile a list of interested children for planning purposes.

High School News

It is hard to believe the 22-23 school year is almost complete, it sure has gone by quickly. April and May were quite busy with many different events, activities, and celebrations.

We had three students chosen as Wildwood Student of the Month:

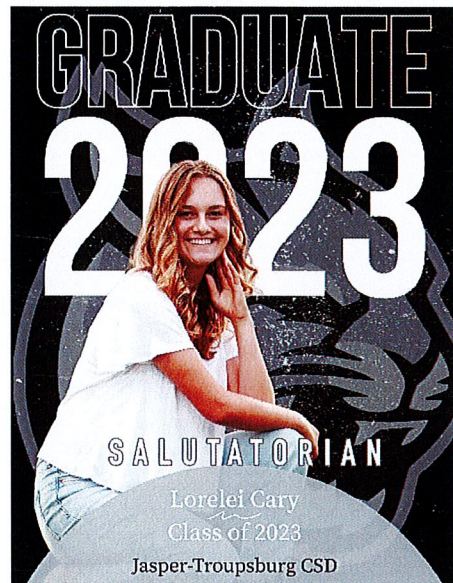

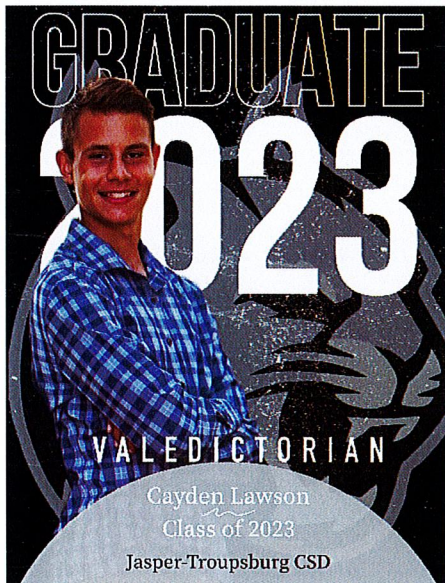

Karley – Cosmetology

Garrett – Criminal Justice

Cole – Heavy Equipment

All students chosen throughout the year have an opportunity to be selected to interview in June for the Wildwood Student of the Year.

Congratulations to the Class of 2023 Valedictorian, Cayden Lawson and the Salutatorian, Lorelei Cary.

The Lighthouse Team held their first “Kids Night Out” for students in grades 7-12 at the high school on Friday, May 5th. Several school staff members volunteered their time to chaperone and participate in board games, trivia, kickball, pinball, and many other activities. They had a great turnout with fun had by all!

The 6th graders had an opportunity to come spend a day at the high school shadowing another student to get an idea of what it is like here as a student at the high school. They attended all the classes with their fellow classmates and had lunch in the cafeteria.

Mrs. Seeley, Mr. Avnet, Mrs. Winant and members of the senior class took a trip down the Genesee River in their annual Whitewater Rafting Trip out of Adventure Calls Outfitters, Inc on Friday, May 19.

The JT FFA members attended the annual State Convention May 18-21 where all of the students participated in different competitions such as Tool Identification and Maple product production. The convention also holds a large expo for students all across the state to learn about all the new farm technology being implemented. Lauren served as a district delegate where she helped decide on important matters concerning the State Chapter of the FFA. It was a great experience.
