SCHOOL YEAR 2022-23  
MARCH 2023

A Monthly Insight into the News Across Our District

## Jasper-Troupsburg

### Budget Presentations

The District Office and Board of Education are preparing the 2023-2024 budget. Budget presentations will occur at the March BOE meetings during the development process. Other important budget related dates are below:

April 19—budget adoption  
May 3—budget hearing  
May 16—budget vote

### BOARD OF EDUCATION

The Jasper-Troupsburg Board of Education will have one vacancy beginning in the 2023-2024 school year. This seat will be on the ballot at the May 16, 2023 budget vote.

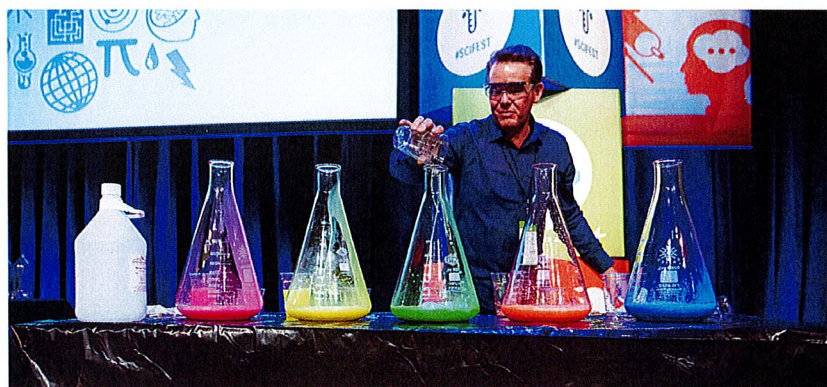

To run for a seat on the BOE, a person must be 18 years of age, a resident of the Jasper-Troupsburg Central School District, and have a completed signed petition on file by **April 17, 2023**.

Petitions are available from Troy Terry, District Clerk.

### Professional Development

As always, an important District focus is professional development for our faculty and staff. The upcoming March 20th Superintendent's Conference Day will feature various professional development sessions specific to each role. The keynote speaker for the conference day is Steve Spangler, a STEM (Science, Technology, Engineering, and Math) educator and television personality who will kick-off the event with his presentation surrounding student engagement and experiences. Mr. Spangler will continue to work with teachers who are responsible for Science, Technology, Engineering, and Math instruction and our teacher aides for the remainder of the day. Teachers who are responsible for content not specific to STEM will be participating in sessions such as Strengthening Student Writing, Innovative Activities for Strengthening the PE Program, and multiple art, music, and Spanish offerings. Our nurses, guidance counselors, and speech and occupational therapists will benefit from trainings that further enhance their toolkits of strategies and practices. Our drivers and maintenance staff will also be participating in trainings regarding safety and topics of required compliance.

We are very fortunate that our ESSA Title II funding is adequate to cover our professional development needs. Using this funding, we are able to provide every faculty and staff member with a day of learning that will benefit our students directly.

## **ATHLETIC NEWS**

It is hard to believe that winter sports are winding down. We have had kids busy in several different areas. This winter we have had kids compete in basketball, wrestling, and indoor track. Our modified basketball girls and boys both experienced tremendous seasons, both finishing with 10-win seasons. Our JV boys' basketball team finished the season strong with back-to-back county tournament wins, this pushed them to nine wins on the season. Our athletes that competed in indoor track and wrestling both experienced solid seasons. At this time, both varsity basketball teams are gearing up to compete in sectionals. I will have an update on their seasons in the next newsletter.

The district would like to congratulate our varsity boys' basketball team for earning the number one seed in sectionals for D2. Also deserving of congratulations is Lou Zver. He has earned Section V D2 coach of the year honors. Thank you, Lou, for the time and dedication you have given our basketball program.

With the winter season winding down plans for our spring seasons are in full swing. Signups have taken place and our teams are set. We are going to be able to offer modified softball and baseball, varsity baseball, varsity boys and girls track, and golf. We are excited to offer these wonderful experiences to our athletes and wish them the best of luck during the spring season. The Mandatory Parent-Athlete Team meeting for spring sports will be held on March 10th at 6:00 pm in the Elementary gym in Troupsburg.

### **High School Leader in Me News- *Leading JT***

The High School Lighthouse team is up and running and has been working hard at planning student engagement activities. On Jan. 23rd, a consultant from Leader in Me trained our team and provided a lot of insight into the process of running a successful leadership team at the high school level. Currently, the team is planning a lock in on May 5<sup>th</sup> and field day activities in June. The team meets every Friday morning to plan activities and students in grades 7-12 are always welcome to join the team.

## ELEMENTARY NEWS

The month of February was exciting here at the elementary school. We celebrated the 100<sup>th</sup> day of school, Valentine's Day, the teachers celebrated all the work being done with Thinking Maps, and we crowned champions for our Spelling Bee. Each of these experiences showcased the hard work and dedication our students and staff put in on a daily basis.

Congratulations to the winners of the 11th Annual JT Spelling Bee! Leah and Jessalyn will represent J-T at the Regional Spelling Bee in Corning on March 11th.

Also, the circus came to town. Thank you to P.I.E for bringing the Billy Martin – Cole All Star Circus to our elementary school. The show featured juggling acts, a cyclist, a quick changing routine, a clown and much more. The crowd was engaged and cheering on the acts. Thank you, P.I.E for offering this opportunity to our school and community.

## High School News

February was a short yet busy month at the high school. The week of February 13<sup>th</sup>, our FFA held their annual FFA Week with daily themed outfits and ended with their annual Moogaball challenge on the 17<sup>th</sup>.

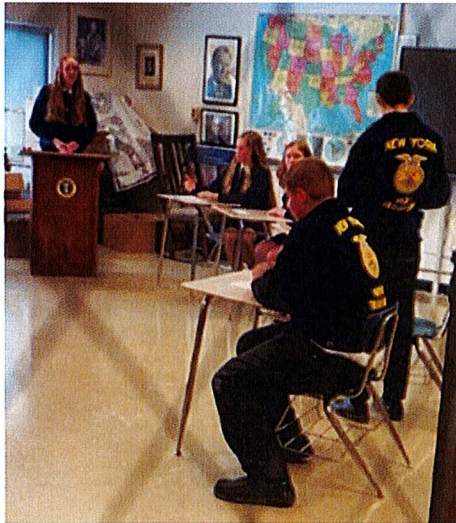

The Physical Education classes ended their volleyball unit with the 20<sup>th</sup> Annual PE Class Volleyball Tournament. The finals consisted of the team of Jared, Cayden, and Landon squaring up against Logan, Cash and Sawyer with Jared, Cayden and Landon pulling off the win for the title of Champions.

## **FFA NEWS-**

On Saturday, February 4<sup>th</sup>, six of our FFA officers traveled to Marcus Whitman to compete in our District 8 LDE competitions. Our Parliamentary Procedure team consists of Cole, Faith, Kaylie, Lauren, Kahley, and Hunter. We were able to secure the 1<sup>st</sup> place spot and received great feedback to take to the next round with us. For individual competitions, Lauren took 7<sup>th</sup> place out of 10 for Sr. Extemporaneous Speaking, and Kaylie took 6<sup>th</sup> place out of 14 for Employment Skills. These are some tough competitions and these students should be very proud! Our Parliamentary team will be headed to Sub States next month for a chance to head to our State competition.

Congratulations to Connor for earning his Class B CDL permit through the Wildwood BOCES Heavy Equipment program.
