MAY 2023

A Monthly Insight into the News Across Our District

Jasper-Troupsburg

Final Give Back Day

Every year the school calendar includes four emergency days. Two of these days were used for snow days, and the other two were approved as give back days. The first give back day was April 10th. The second is May 26th. There will be no school on May 26th.

OPEN POSITIONS

Please use the applications on the district website to apply for open positions. www.jtcsd.org

FEMA UPDATES

April brought very few changes to the projects that are in the FEMA process. Detailed information about each of the projects can be found on the district website.

At this time, we are still waiting for FEMA to review estimates and determine if the district has met the 50% Rule calculation. This calculation will determine if the district qualifies for a replacement building or if we will be renovating the existing building. If the cost of renovating the damaged building is more than 50% of the cost of replacing the building, then FEMA will allow a replacement.

Another aspect of the process is obtaining and maintaining flood insurance for the building. This has presented many difficulties because the building is not in a flood zone and because we do not have a decision from FEMA yet as to whether the building will be renovated or replaced.

The building, the contents of the building, the track and multi-purpose court, and the parking lots are all what FEMA considers "large projects" because they are valued at over \$1,000,000 each. With a large project, the funds are acquired through a reimbursement process. This means that when a large project makes it through the full FEMA process, the district will need to submit for progress payments as work is completed.

Projects less than \$1,000,000 are obligated in full once they make it through the full FEMA process. So far, the district has only received funds to pay for the Emergency Work completed by ServPro and Steuben County for disposal of flood debris, and for the upcoming work at the baseball and softball fields and dugouts.

High School News

The month of March ended at the high school with a spectacular music concert directed by Mr. Avnet featuring the Junior and Senior High Chorus and Band along with the Jazz Band. A great deal of practice and hard work was showcased by the students. It was a wonderful event enjoyed by all.

April is in full swing with several activities and highlights. Logan was featured as the Wildwood BOCES Student of the Month for Welding and Metal Fabrication. Congratulations Logan!

Mr. Ford's 11th grade English classes held a Town Hall style debate where the students presented their information, fielded questions from the audience and discussed their topics with the hopes of swaying the audience in their direction. This was a great opportunity for the students to showcase their ability to answer questions, without prior knowledge of the question, while being respectful and understanding of the opinions of others in a public meeting setting.

Members of FFA participated in Sub States competition this month. Four members of the Junior High Tool Identification team placed and two members of the Ag Mechanical team placed 3rd and 4th. The Ag Mechanical team, consisting of Brent, Colten, Cole, and Josh then went on to compete at the State Championship in Cobleskill.

The seventh and eighth graders completed the NYS ELA exam the week of the April 17th and the NYS Math exam will be taking place on May 2nd and 3rd. Also, the eighth grade Science Performance exam will be given May 30th.

KINDERGARTEN 2023

If you have a child who will be five (5) years old by December 1, 2023, please give Mrs. Cindy Flint a call at the J-T Elementary School at 525-6301 to be added to the list for registration.

All Kindergarten age families will be contacted with a time and further information as the date nears.

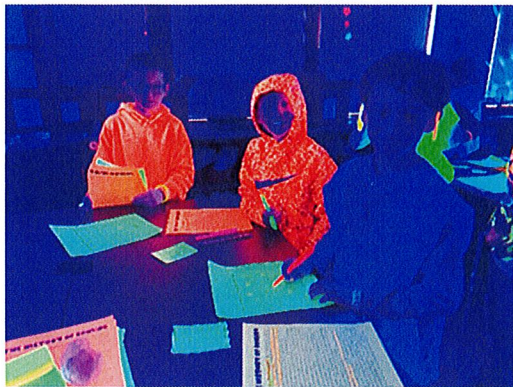

NOTE: Children in our present Pre-K program must also register for Kindergarten for the 2023-2024 school year.

PRE-KINDERGARTEN 2023

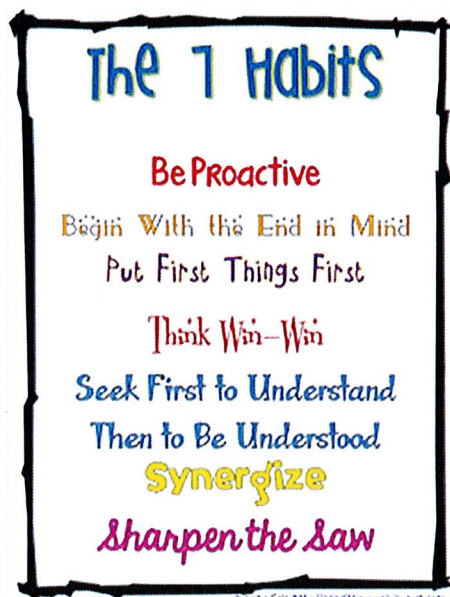

If you have a child who will be four (4) years old by December 1, 2023 and are interested in having him or her attend our Pre-Kindergarten, please call Mrs. Cindy Flint at the J-T Elementary School at 525-6301. We need to compile a list of interested children for planning purposes.

Any student entering 12th grade in the Fall is required to have 2 Meningitis vaccines. The only exception to this is if the student received the first Meningitis vaccine on or after his/her 16th birthday. Notices will be sent home with 11th grade students needing to get immunized.

ELEMENTARY NEWS

During the month of April our third through sixth grade students and teachers worked to prepare for the New York State ELA test. Many of the teachers utilized the Glow Room supplies to make their review engaging and exciting.

The busy month of May is quickly approaching. Our third through sixth grade students will be taking the New York State Math test on May 2nd and 3rd. We also will be having our formal Lighthouse Review for the Leader in Me program.

This is an exciting time for our elementary school, our district has been teaching Covey's 7-habits of highly effective people to our students since 2019. Our Leader in Me coach now feels we are ready to apply for Lighthouse status. There are only 35 Lighthouse schools in NYS and only 7 recognized Lighthouse schools in upstate New York. If we achieve Lighthouse status it will be a huge honor and recognitions for our little school and community.

We also have our spring concerts coming up at the end of May. On May 23rd our Kindergarten through third grade students will be putting on their concert starting at 6:00. Parents are welcome to come in with their child starting at 5:00 to look at the art work their children have been working on as well as their leadership binders in their rooms. Please remember this is a time for your child to showcase their hard work at school, ask them questions and enjoy seeing the time and effort they put into their education. Our fourth through sixth grade students will have their concert and academic/art showcase on May 24th. The concert starts at 6:00 and the academic and art showcase will begin at 5:00. Please join us for a couple of wonderful evenings showcasing the amazing students at Jasper-Troupsburg Elementary.

To parents of Homeschool students who receive special education services (speech, OT, PT): You need to request in writing by June 1st that you wish your child to receive those services next year. Please contact Ms. Newcomb if you have questions.
