# *Welcome to the Jasper-Troupsburg Elementary afterschool program!*

Students of Jasper-Troupsburg Elementary School now have the opportunity to stay afterschool Monday through Thursday until 4:30pm. This will allow students to work with one of our teachers on any and all homework. The afterschool program is designed to ensure all students are receiving the best resources to succeed. For your convenience, a bus will transport children from the elementary school to Jasper. This bus will depart the elementary school at approximately 4:30 pm, arriving in Jasper at approximately 4:45 pm. If your child does not require a bus trip to Jasper, you will need to pick them up at the elementary school.

In order to best serve our students, parents will need to fill out a permission slip everyday they want their child to attend the afterschool program. Please note, calls into the office is not sufficient in the case of attending the afterschool program. Parents must have a signed permission slip turned in no later than the morning of.

If you have any questions about the afterschool program, please contact Alexis Devine via email [adevine@jtcsd.org](mailto:adevine@jtcsd.org) or by phone at (607) 792-3675 ext. 7312.
