

Book Fair

The annual Scholastic Book Fair was held at the elementary school in September. Thanks to the overwhelming generosity of this community the fair was a great success! The library made a profit of \$799.25! This money will be used to purchase new books for our library.

Our fair would not be possible without the hard work of our volunteers. A huge thank you goes out to our former sixth-grade teacher Pat Halferty. Mr. Halferty very kindly set everything up again this year. Assisting Mr. Halferty were Jean McIntosh, Millie Hulbert, Penny Pepper, as well as Joe and Audrey Ogradowski.

Thank you also to the people who work in the school for all of their help, especially Miss Stephens, Mr. Martin, Mr. Walters, Miss English and Mrs. Herold.

Thank you to the entire community for making reading a priority in your child's life.

Mrs. Howell, J-T Librarian

GUIDANCE NEWS

Junior students who plan to attend college need to start planning for their SATs. SAT information is available in the guidance office or on the College Board webpage.

A representative from Alfred State College will be in the guidance office on November 1st.

A BOCES representative came to visit our Sophomores and discussed programs available to them during their Junior and Senior years. Sophomores will be taking a half day trip to Wildwood BOCES campus on December 5th. Students will have the opportunity to visit 3 different programs of their choice. Please be on the lookout for your child's permission slip.

The Sophomore Class will begin their wreath sales November 8th.

Recommended Fall Timeline for College Bound Seniors:

- If you did not take the ACT or SAT tests during your junior year, or you would like to retake them, register for these tests to be taken in the fall. See the guidance office or the College Board webpage for further details on registering.
- Complete the financial aid paperwork (FAFSA)
- Meet with college admissions representatives who will be visiting your school.
- Once you've narrowed your college choices to three-four, revisit these schools either through an individual visit or an open house program.
- Fill out college applications paying careful attention to any application deadlines. Some college programs fill quickly even though they have rolling admissions.
- Do you need to write a college essay for the schools you're considering? Check the colleges you are applying to for admission requirements.
- Ask your school counselor, teachers, or other appropriate people for letters of recommendation to accompany your college applications. DO NOT wait until the last minute.
- Transcript requests – see Mrs. Kropp.
- Research and fill out scholarships! You can research online and check the folder in the guidance office

Parents/Guardians play an important role in the safe and efficient operation of the Transportation Department and we are asking for your help.

It is district policy that all students who are bused to school must return home on their assigned bus unless parental and school office approval is received. Any alternative to this arrangement must comply with the following:

1. If a student will not be riding a bus home or will be riding a different bus, a parent/guardian must submit a request in writing to the school office by 10 am.
2. When a written parental request is not submitted by the student, a phone call request, received by 10 am, from a parent may suffice. However, such phone calls are discouraged, and a written request is preferred.
3. The school secretary or other designated personnel are responsible for verifying alternate busing arrangements before they are approved.

Parents/Guardians are expected to have their children at the bus stop and ready to board the bus 5-10 minutes prior to their scheduled pick up times. Bus Drivers are not able to wait more than 20 seconds at any stop. Should a student miss the bus, please instruct children to never run after the bus and parents/guardians become responsible for transporting them to school.

Your bus driver has been entrusted with the serious responsibility of protecting the safety of your child. The driver cannot control the hazards outside the bus. We ask your cooperation to assign a responsible person to meet the bus every day to receive your child. This will ensure your child's safety as well as the safety of other children.

We also want to alert you to the dangers of long drawstrings or straps on children's clothing, or long mitten strings. Across the country, a number of incidents have occurred in which children's clothing or mitten strings became entangled in the bus door or handrails as the child stepped off the bus causing serious injuries. Please make sure your children do not have any long, dangling strings or straps that could jeopardize their safety.

Another danger to be aware of is dark clothing as we approach the darker morning hours of non-daylight savings hours. Children should be dressed in bright-colored clothing for better visibility.

Thank you for your cooperation!

Sincerely,

Robert Cornish

JTCSD Director of Transportation
