

Austinburg United Methodist Church
SCHOLARSHIP FUND

The purpose of this organization is to provide scholarships to students, primarily from the service area of our Church, who plans to study full time for careers in humanitarian service. This selection will be made on the basis of financial need and academic achievement. The money will be sent directly to your school.

Before the money is sent, the Secretary must receive the latest copy of your transcript, your student ID number, and the school address.

Applicants must be enrolled in an institution of higher learning.

An accredited school is strongly recommended, but not compulsory. Interviews will be held in May 2020 (This is subject to change). You will be called to set up an interview time.

(Applicants will be prescreened before the interviews.) This is a mandatory requirement of the awarding of the scholarship.

At least one scholarship of \$500.00 will be awarded annually.

Students may continue to apply for the award as long as they are attending a school of higher education.

Applications, a short letter stating what your ambitions and goals are, and the latest transcripts available must be sent to the Secretary and be received by April 30, 2020. Late applications will not be considered.
