

December 12, 2022

Jasper-Troupsburg Central School
2661 State Route 248
Greenwood, NY 14839

Jasper-Troupsburg Central School Students:

How would you like the opportunity of hearing how you can become fully equipped for college along with several other prospective students in one evening? We would be honored to have YOUR presence at a unique (Christian) college night called **“Fully Equipped – College Prep with Family Life”**. It’s being organized by Family Life, a ministry that has been actively working with young people for over 65 years. The event will be held from **6:00-9:00pm, Thursday, January 26th, 2023**, at the Family Life Center located in Bath, NY.

We would love for you and your parents to be there to experience and hear from college experts chosen to help people find the right school, teach key elements in successful admission, and share about available financial aid. By attending, you will learn how you can get plugged into a Christian community with “Every Student Sent”, help minimize the cost of college with “College Assistance Plus”, and also enjoy hearing from several Christian colleges. Each attending college will be answering one question regarding important information YOU need to know when applying to these schools. For example, one college will tell us what they are looking for in an essay that would help ensure you are offered admission.

The goal is to create an evening that will help colleges find great students, like YOU, and help students and families choose the perfect college to attend! This will be an incredibly fun event for both you and your parents. And by the way, every participating college will have a display that you can view at both the beginning and end of the event.

Please register for this event by visiting our website, familylife.org/events or by calling the ticketing office at **800-927-9083**. Tickets are **\$19 per family** in advance or \$25 per family at the door. You definitely don’t want to miss this event!

Looking forward to meeting you,

Jeffrey A. Harmon
Chief Operating Officer
